STEWARDSHIP THOUGHT

“Who do you say that I am?” Jesus asks Peter in today’s Gospel. Does my use of the gifts and talents entrusted to me accurately reflect my answer to that same question?

PRAY FOR THE REPOSED SOULS OF THE FAITHFUL DEPARTED: Jeanne Keyes (Lisa Promani’s Mother)

**LAST SUNDAY’S OFFERING/
OFRENDAS DE LA SEMANA PASADA**

"Weekly church collection results will no longer be posted in the bulletin. Instead, summary results for the previous month will be reported to the parish the first Sunday of each month."

St. Anne is a “Fair Share Parish.” As a Fair Share Parish we ask those who are able to give a weekly fair share offering of **\$48.00**. We also ask those who are able to prayerfully consider giving extra share for those who are unable to give. For your convenience, Electronic Funds Transfer (EFT) forms are available. This is an easy way to give your fair share each week. Forms are available in the foyer and office.

*Your generosity is your return to the Lord for his goodness to you.

Catholic Action Principles

Think Win-Win

Thinking win-win is a frame of mind that seeks mutual benefit and is based on mutual respect. It is about bargaining fairly, and being open-minded and reasonable to all parties. It is acting Catholic. It is about compromise and a sincere desire to find agreements that occupy the middle ground. Win-win is not taking advantage when it is understood that you are being trusted to act with honor.

It's about thinking in terms of abundance. There is an ever-expanding "pie", a cornucopia of opportunity wealth and resources, not scarcity and adversarial competition.

-Bill FitzPatrick.

St. Anne Community Cookbook

Please share your favorite recipes for our St. Anne Community Bilingual Cook Book that the choir is sponsoring. The Choir would like to offer the opportunity for all our parishioners to share recipes from their culture. It will be fun!!

Please include your name, phone number, and email address on the recipe and either email them to office@stannechurchbyron.com, drop them in the collection plate or bring by the office. Many thanks for your help!

Habitat is building in your community!

We have launched a new foreclosure rehab program in neighborhoods affected by the foreclosure crisis by purchasing and rehabilitating existing foreclosed houses. These homes will provide ownership housing opportunities for limited-income families. We plan to renovate eight homes in Bay Point over the next year as part of the federal Neighborhood Stabilization Program. We invite you to help rehab homes in your community! Visit our website, www.HabitatEB.org, for more information and to sign up to volunteer in your neighborhood! Contact us: Volunteer@HabitatEB.org or 510-251-6304 x375.

What is Asthma

Part 4 – Main Causes of Asthma

ASTHMA IS IN YOUR LUNGS WHETHER YOU FEEL IT OR NOT

Asthma is a chronic disease of the airways of the lungs. Unfortunately, asthma never goes away, but the right treatment can help keep it under control.

CAUSES OF ASTHMA

Some people think there is only one cause of asthma symptoms. But actually, asthma symptoms have two main causes, and both occur within the airways of your lungs:

AIRWAY CONSTRICTION

This is the cause of asthma symptoms that you may feel as a tightening in your chest. The muscles around the airways of your lungs squeeze together or tighten. This tightening is often called "bronchoconstriction," and it can make it hard for you to breathe.

INFLAMMATION

This is the cause of asthma symptoms you probably do not notice. If you have asthma, the airways of your lungs are always inflamed, and they become more swollen and irritated when your asthma symptoms worsen. Inflammation can reduce the amount of air that you can take in or breathe out. In some cases, too much thick mucus is produced, which further obstructs the airways. Together, airway constriction and inflammation narrow your airways, which can result in wheezing, coughing, chest tightness, or shortness of breath—likely familiar feelings to you. And in people with asthma, the airways may be inflamed even when they are not having symptoms.

Next Week: Part 5 – Treatments for Asthma

PLEASE- Remember to use the phone in the office or at the AV area in the hall and not a cell phone to call 911. Your cell phone will reach Sacramento CHP and precious time will be wasted.

Need Your Unwanted Cell Phones

Anna Piazza & the Vacation Bible School are collecting your unwanted and outdated cell phones as a fund raiser. All of the proceeds will be used to help those injured in Haiti. They will be buying wheelchairs through the Wheel Chair Foundation. A box is being left in the foyer to collect the cell phones. Help them out in their first fund raiser. They are very impassioned about helping those injured in the earthquake. They need just the cell phone (make sure you remove the sim card), no accessories or cords.
