St. Anne is a “Fair Share Parish.” As a Fair Share Parish we ask those who are able to give a weekly fair share offering of **\$48.00**. We also ask those who are able to prayerfully consider giving extra share for those who are unable to give. For your convenience, Electronic Funds Transfer (EFT) forms are available. This is an easy way to give your fair share each week. Forms are available in the foyer and office.

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

STEWARDSHIP THOUGHT

In the second reading today, St. James has harsh words for those who do not put their faith into action. May we be such good stewards of God’s gifts to us that we can never be accused of having “faith that does nothing in practice.”

FAMILY CONNECTION

Peter had expectations about what it meant to call Jesus the Messiah,
the Christ. Jesus was indeed the Messiah, but his life and death
would show a different understanding of what it means to be the
Messiah. We, too, have expectations of God and our own ideas
about what we think God ought to be doing in our world. Like Peter,
however, we may risk limiting our image of God by thinking only in
human ways. God's plan is always more that we can ever imagine.

As you gather as a family, talk about what we expect God to be
doing in our world and in our family life. Then read today's Gospel,
Mark 8:31-35. Why do you think Peter was so upset by what Jesus
was saying? Notice how Jesus reprimands Peter. Do we sometimes
forget to let God be God for us? That is, do we sometimes get
discouraged because God doesn't act in our world in the ways that
we expect? Pray together that we will remember that God is always
working for the world's salvation in ways that are beyond our
imagination. Conclude by praying together today's psalm, Psalm 116

"We really need to think about an addition... I don't even know these people."

Air Travel Health Tips – Part 3

What else should I do?

Even healthy people can get blood clots in their legs after long flights. Try to walk every now and then during your flight (unless the crew tells you not to). It also helps to drink water, stretch your calf muscles while you're sitting and wear support stockings.

If your doctor wants you to take oxygen when you travel, remember to tell the airline about this well in advance of your flight. The airline will probably provide oxygen for you for a fee. Federal air regulations don't allow you to carry your own oxygen unit on a plane. You'll have to make arrangements ahead of time for oxygen at your destination and also for layovers between flights. You can also arrange for special meals or a wheelchair ahead of time if needed.

It's dangerous to fly immediately after scuba diving. You'll need to wait 12 to 24 hours after diving. Ask your doctor or diving authorities for guidelines on flying after scuba diving.

Next Week: **Flu or Cold Symptoms**

PLEASE- Remember to use the phone in the office or at the AV area in the hall and not a cell phone to call 911. Your cell phone will reach Sacramento CHP and precious time will be wasted.

Catholic Action Principles

Speak and Live the Faith

Imagine what the world would be like if every baptized Catholic accepted the challenge to share the faith with every other person and to live out the call to holiness wherever he or she might be – in the midst of the family, at work, in the public sector – Wherever we live and work and experience God's grace.

Each of us must be a force for the Gospel in our sphere of life. The voice and activity of the laity will ultimately determine the direction of society. The voice of Catholic physicians needs to be heard in the area of medicine. Catholic lawyers need to speak out on the ethics involved in the practice of the law. Catholic parents should be involved in education issues. Each of us must be a force for the Gospel in our sphere of life. In our lands where increasingly we see the arrogant claim of secularism to be the only true expression of national ideas and goals, the voice of committed Catholics is all the more necessary. It is the task of each layperson to speak and live the faith today.

-Most Reverend Donald W. Wuerl, S.T.D., Bishop of Pittsburgh.

Covenant Corner

The **Covenant Corner** is an opportunity for us to recognize those who use their gifts in service for others. We want to give regular thanks to those who do so much for all of us. So we invite you when you see someone doing something worth noting to let us know, by mail or email office@stannechurchbyron.com. Please keep the note 4-5 short sentences (maximum). Then we can get it in the bulletin.

Thank you to all parishioners who have supported this year's Bishop's Appeal. To date we have collected \$5,031.25 in cash and pledges toward our parish goal of \$15,134 or 31% of our goal.

Children's Choir

Children's Choir will again be meeting at 5:00 pm on Mondays, beginning September 14. We will be learning new music, a new mass, and some fun vocal exercises as the choir becomes a more regular part of the St. Anne's liturgical experience. The choir will participate in seasonal celebrations and learn catholicity as well as musicality. Come on down and be part of the fun.

IMPORTANT CAPITAL CAMPAIGN FUND REMINDER

Please remember that the two-year matching fund grant for our capital campaign contributions, up to \$1 million, is scheduled to expire on October 1, 2009. Only funds contributed before that deadline will be matched.

If you are able to catch up or get ahead on your pledge contributions, or even want to make a one-time donation, please try to do so by September 30 in order to maximize the funds available to support our parish campus.

We are attempting to get an extension to the deadline, but as of now we have only until September 30th to double our contributions. We will keep you updated on our progress with the extension request. If you have any questions about this please contact Ken Landoline, Capital Campaign Manager, at 925-513-3631.
