**LAST SUNDAY’S OFFERING/
OFRENDAS DE LA SEMANA PASADA**

The weekly offering is extremely important to St. Anne Parish in order to meet our operational responsibilities. We ask that you prayerfully consider a consistent offering that will assist in meeting those responsibilities.

For your consideration:

- ⇒ Sign up for the Weekly Envelope Program by registering with St. Anne.
- ⇒ A convenient method is through Electronic Funds Transfer (EFT). This method is an easy way to provide St. Anne with your Sunday Offering.
- ⇒ Enroll in a Script Program. This is a no cost way of supporting our ministries and programs, in addition to our weekly offerings.

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

STEWARDSHIP THOUGHT

Both the first reading and today’s Psalm say clearly that the Lord hears the cry of the poor. Have I been given the gifts – of time or money or abilities – to be the means by which God answers their need?

FAITH FORMATION

CATECHISTS and HELPERS: Safe Environment Training Certificate is due in my Office by October 31st. You may take the training ONLINE also. If you need access to a computer, please call the Office and schedule a time for the virtual computer in the parish Office. Thank you one and all. Yes, all of us need to do it again this year. (www.shieldthevulnerable.org)

Thank you parents who attended last Monday's Parent Meeting. We planned the Advent Family Night to be held on **Monday, November 15th.** The evening is to be put on by you, the parents, for your children. The catechists will assist by their presence, but it is your night to show your children your commitment to spreading your faith. You plan the teaching; gather the materials, and implement the lesson as the teacher. We had 10 activity centers last year that the families rotated through. Each family enjoyed 3 or 4 advent experiences in the 45 minutes of class. The parents also plan the closing prayer and lead us in prayer. Last year's experience was terrific. Let's make this equally special for all our families. Your date to do this Advent Evening is November 15th. We have four Advent activities **that still need "parent teams" to implement.** Please call Sister Barbara to volunteer. I'm counting on you! 634-6625 ex.224. Thank you in advance!

FIRST COMMUNION PARENT MEETING # 2: SUNDAY, Oct.24th at 9:15am in Room 1a. Each First Communion child must be represented by a parent.

MASS ATTENDANCE We expect every faith formation child to be at Mass every weekend. Experiencing the Mass firsthand is how the child learns to love it.

Each Faith Formation child is being asked to be a junior St. Vincent de Paul member this year. What does he/she do? Every month that has a fifth Sunday (August, Nov 1st, Jan 31st, March 28th, May 16th) we are asking each child or family to bring one item of food for the Food Pantry. **November request is: peanut butter.** Please bring on **NOVEMBER 1st** to class at 4:15pm or 6:30pm.

FALL FESTIVAL SUCCESS!

PARENTS and Families THANK YOU for your involvement in our parish FALL FESTIVAL. The spirit was great and a good time was had by all.

ADULT FAITH FORMATION: Class continues on Monday, October 25th at 6:30 PM. Class this semester is on the Scriptures. This week: Overview of the Bible

Catholic Action Principles

Avoid Negative People

You have one life to live. You want to be happy and to make your life meaningful. You haven't got time to waste with negative people. They will drain your energy. When they find a willing audience, they won't let it go. They may have justifiable concerns but too often get involved in minor matters. They blame and look for excuses. Even when blame can be justified, it serves no productive good. They are usually negative because they have ceded control of their happiness to others – the boss, the neighbors, the kids, the politicians, the police.

Be polite and encouraging to negative people. Suggest returning to Church. Suggest clerical counsel. Suggest good books. Suggest helping others. Always offer kind words. You can be compassionate, but still be strong enough to walk away. Everyone has problems, but not everyone allows those problems to rule them. You can offer a temporary safe haven without becoming a permanent home.

-Bill FitzPatrick.

Nurses Notes

October is breast cancer month

Over the next few weeks I will discuss Risk factors of Breast cancer

Moderately higher risk

Getting older: Your risk for breast cancer increases as you age. Approximately 77% of women diagnosed with breast cancer are over the age of 50 and the other half are over age 65 or older.

The risk of developing breast cancer is 1 in 68 women between age 40 and 49. In women 50-59 the risk increases to one in 37.

Direct family history: Having a mother, sister, or daughter (this is also called first degree relative) who has breast cancer puts you at greater risk for developing the disease. Even greater risk is if your relative developed breast cancer before menopause and had cancer in both breasts. By having a first degree relative with breast cancer it doubles a woman's risk, and having two first degree relatives increases her risk by 5 times. Interestingly enough having a male relative with breast cancer will also increase the woman's risk.

Genetics: BRCA1 or BRCA2: Carriers of alteration of these genes have up to an 80% chance of developing the breast cancer disease in their lifetime.

Breast lesions: A previous biopsy result of atypical hyperplasia (lobular or ductile) increases a woman's breast cancer risk by 4-5 times

Next week... Slightly Higher Risk

PLEASE- Remember to use the phone in the office or at the AV area in the hall and not a cell phone to call 911. Your cell phone will reach Sacramento CHP and precious time will be wasted.
