STEWARDSHIP THOUGHT

Today's readings paint a somewhat frightening picture of the end of time. But the Gospel ends with the assurance to faithful stewards that those who persevere will be saved.

Catholic Action Principles
Enjoy Quiet Time

We all need quiet time in our day when we can just be with our own thoughts. This isn't daydreaming. The serenity of quiet time can be enjoyed in a variety of ways. It can be traditional meditation, or walking the Stations of the Cross, gardening, reading Scripture, making a pot of tea or taking a long, hot shower. You may wish to say the Rosary.

FAITH FORMATION

Advent Family Night to be held on Monday, November 15th. All parents and Pre-K through 6th children are invited to come! The evening is put on by parents, for your children. We had 10 activity centers last year. Each family enjoyed 3 or 4 Advent experiences in the 45 minutes of class. It is your night to show your children your commitment to spreading your faith. Parents plan the teaching; gather the materials, and implement the lesson as the teacher. The parents also plan the closing prayer and lead us in prayer. Last year's experience was beautiful. Let's make this equally special for all our families. This Advent Evening is November 15th. Please be seated in the large Hall by 6:25pm, so we can start right at 6:30pm. Thank you one and all.

FIRST COMMUNION PARENT MEETING: The third First Holy Communion Parent Meeting has been changed to **Tuesday, November 30th at 7:00pm** in the Large Hall. One parent must attend. Thank you for making your child's preparation for First Reconciliation and First Communion a priority. (There will not be a meeting on Dec. 5th as originally scheduled.)

MASS ATTENDANCE We expect every faith formation child to be at Mass every weekend with his/her family. Experiencing the Mass first hand is how the child learns to love it.

SAINTS ...November our Catholic church celebrates the saints and those who have died. Please take time with your children to walk around our worship space and get acquainted with the saints pictured here. Then, at home, you can find out more details about their lives on the internet. You and your children can also look up information about the saint names you have given your children. Also, you are invited to bring photos of your loved ones who are deceased to our side altars for this month.

NOVEMBER CLASSES: Sundays, Nov. 14th, 21st; Mondays- Nov. 15th, 22nd, 29th; Wednesdays -Nov. 17th.

Your child is being invited to be a junior St. Vincent de Paul member this year. What does he/she do? Every month that has a fifth Sunday (August, Nov. 1st, Jan 31st, March 28th, May 16th) we are asking each child or family to bring one item of food for the Food Pantry. November request is: peanut butter and/or Jelly. Thank you to those who brought it already. We will continue to accept until the end of November.

ADULT FAITH FORMATION: Class continues on Monday, November 22nd at 6:30 PM in the Fireside Room. Class this semester is on the Bible. **This week:** Reverencing the Word of God.

Nurses Notes

November is Diabetes month

Over the next few weeks I will discuss what is Diabetes, Pre - Diabetes, Type 1 and Type 2 Diabetes and treatment.

Type 1 diabetes

Type 1 diabetes occurs because the insulin producing cells of the pancreas (called beta cells) are destroyed by the immune system. People with Type 1 Diabetics produce no insulin and must use insulin injections to control their blood sugar. The symptoms of type 1 diabetes usually occur suddenly and can be severe.

They can include:

- Increased thirst
- Increased hunger (especially after eating)
- Dry mouth
- Frequent urination
- Unexplained weight loss (this is even though you are eating and are hungry)
- Fatigue (weak, tired, feeling)
- Blurred vision
- Labored, heavy breathing
- Loss of consciousness

You should talk to your doctor if you have these symptoms or in some cases the person may need to go to the emergency room. Blood tests can be done to find out if you have this type of diabetes. The treatment in this case is the use of insulin injections, dietary changes, and exercise. At some point other oral mediations may be used.

PLEASE- Remember to use the phone in the office or at the AV area in the hall and not a cell phone to call 911. Your cell phone will reach Sacramento CHP and precious time will be wasted.
